

## **Provisional dates for Martyns trip to Spain 2020**

Ferry from Portsmouth 9th September 12.00 to Bilbao  
Approx route Soria, Valencia, coast to Almeria, then North to Toledo, Zamorra, Ponferrado, Potes to Santander for 21st September  
Arrive Portsmouth 16.00 on 22nd.

This will be 3 days longer than previous as almost no ferries running to Spain from Plymouth in 2020.

I will be booking the ferry in March and this year the ferry has to be paid in full. Approx £475-£500 return.

Anyone who is interested please let me know asap to help with planning. You will not have to commit until I book the ferry.

The ferry company has set the rules. Any cancellations or refunds will be in travel vouchers and any alterations will cost £20.

Budget about £100 pounds a day maximum for fuel, hotel and food costs. We will be covering about 150 miles per day with a rest day in the middle.

Any questions ask Martyn.
