"Tortoise and Hare Run" 2014. Sunday 8th June 2014.

We are very pleased to inform you that following the success of the 2013 event we were able to present Somerset and Dorset Air Ambulance with a cheque for £1500.00.

We would like to say a big thank you, to the Entrants, Marshals, Helper's, our Sponsors, plus the many Business's that bought advertising space in the brochure for their support to make this possible.

Following this success we are again running a similar event for 2014 and hope that you will join us. We have again modified the routes to take in more of our outstanding countryside for your pleasure.

The "Snail Route": For Veteran and very low powered machines.

We introduced this section for last year to enable us to expand the Tortoise Run.

This route will be dependant on a "Route Sheet" and some signs. The route is approx 45 miles for the day, over fairly level countryside starting and meeting with the other groups for coffee and lunch etc. It is hoped that this will encourage more of these machines to participate and add enjoyment to the event.

The "Tortoise Run": This route is a little more demanding as we have again included some more hills for your enjoyment.

The "Hare Run": Will include a limited number of modern machines.

The signing on, start and coffee stop locations are the same as last year.

Unfortunately we have had to increase the cost of entry fees by £1 per person to cover rising costs, this still represents exceptionally good value and should help to make another enjoyable day.

We ask you to please support the raffle as we have some superb prizes.
We hope to again make a sizeable donation to Somerset and Dorset Air Ambulance.

Entries are limited So please book early.

We are also looking for riders with non eligible machines to sign up as a marshal.

If possible, please include an email address in any communication as it does save our club a significant amount on postage. Email enquiries to: tandhwcmc@hotmail.co.uk

2014 Entry forms etc, plus all other club details are on our website:

We all wish you safe riding and look forward to seeing you at the "Tortoise and Hare Run"

Yours sincerely,

Chris Weeks.
